####-- Collaborative Press Release

20th March 2025 3:30pm

Thursday, 20th March 2025, our 'diaspora collaborative group' held a face-to-face meeting with three important members of the Foreign, Commonwealth & Development Office, (FCDO) at their offices in King Charles Street, London: SW1A 2AH. We were also unexpectedly joined by British Ambassador to Zimbabwe, *Peter Vowles*, who devoted 15 minutes from his busy schedule to be with us in the meeting.

There will be further joint statements about this welcome development very shortly.

Initiated by the FCDO, in requesting such an event, their initiative was as a result of a subtle change in focus by FCDO plus the 12 joint petitions delivered to the PM and the FCDO by our 'diaspora collective group' over the last 30 months. Summarised at the web link below;
